Help us create a Community Recipe Book!

We are so excited about this upcoming project!

We are compiling some of your most beloved family recipes in a Park and Rec cookbook. They will be available in the spring at a nominal fee, with proceeds going to our Jim Boyle Campership Fund. We will be collecting recipes and creating a simple, printed in-house recipe book.

But we need your help…

Please email us your family favorite recipe/s. We need all recipes sent to us at j.lohbusch@brooklynct.org or l.lindia@brooklynct.org, in a word document, so we can format after receiving them. We are hoping to highlight Brooklyn residents and their families in our department cookbook. Thanks so much for your support!

This is a fun way to get the family involved in a community activity and then share the finished project with friends and family! We would love to also hear the background story of a favorite recipe – who did you learn it from, when do you serve it, why is it a favorite of your family! Or do you have a holiday tradition that the recipe is a large part of? We would love to be able to incorporate some of these stories with your recipes. (All recipes and stories are subject to editing, and will be based on number of submissions and space)

Go to our website and look for Fall/Winter Special Events Listing. There is a link for a sample recipe format.
